## ring size guide

Not sure about your ring size? Don't worry, we can help you!

IF YOU ALREADY HAVE A RING WITH WHICH YOU CAN COMPARE: all you need is a printer, a ruler and the ring.

Don't forget! It's important to compare with a ring that fits the same finger of the same hand!

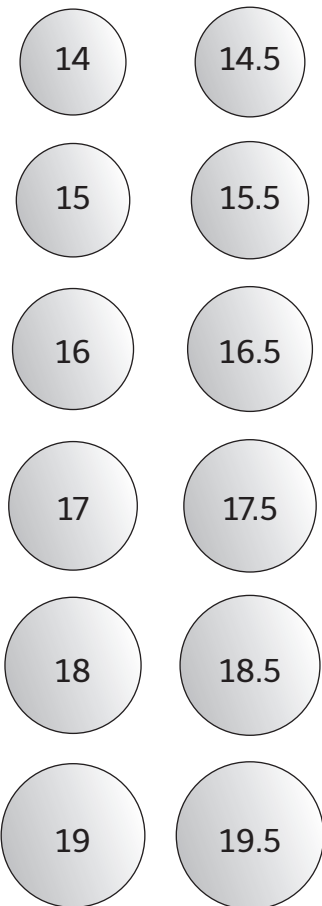

1. Print out this sheet at 100% on an A4. Make sure you do not select «scale to fit page» option.

2. Check that this line measures 1 cm.

3. Place your ring over the circles : if you can hardly see the edge of the circle, this is the correct size. If 2 sizes are fitting, always prefer the biggest one.

4. You can now order your ring.

IF YOU DON'T HAVE A RING TO COMPARE WITH: all you need is a printer, a ruler and a scissor.

1. Print out this sheet at 100% on an A4. Make sure you do not select «scale to fit page» option.

3. Cut the strip below.

4. Make a slit exactly where it is drawn.

5. Insert the sharp end into the slit in order to make an adjustable circle.

6. Place the circle around the biggest part of your finger (the second articulation) and adjust the circle.

7. The number that is on the slit is the size of your ring.

Remind that the ring sizers are provide as a guide only.
